

Client Advisory Council Senz

At this moment, we do not yet have a client advisory council. We are a newly established organization. Our treatment program will start in April 2025. We will make every effort to encourage individuals to form a client advisory council as soon as possible. The client advisory council will be actively involved in shaping the institution's policies.

If you are interested, please contact us at: info@senzggz.nl

Kind regards,
Karlijn Kindt, Rutger Engels, and Shiva Thorsell
